Subject: Microsoft Antitrust Case

To whom it may concern:

I strongly object to the proposed Microsoft antitrust settlement. Mr. Gates et al have shown themselves to be contemptuous of the laws and a previous consent order that you worked out. Now that another one is in the offing. Judge Jackson got it right with his breakup order. You should be seeking nothing less. Microsoft want the freedom to innovate as long as they are the only ones with such freedom.

Peace,
